

DECORATIVE DRAPERY HARDWARE CATALOG

**United Supply Company
Decorative Metal Hardware by Gifer**

Introduces Additions to the Contemporary Collection

The Artico Collection

The Artico Collection consists of three simple 1 3/16" finial designs made of clear acrylic with white, black and steel accents. These finials may be used with the new clear acrylic poles or with the 1 3/16" steel poles. New black and clear acrylic rings are also available.

Artico Product Information:

- Center Support required at 6' length for 1 3/16" Acrylic poles
- Acrylic poles are designed for light weight curtains and draperies. 1 lb. per foot.
- For double rod treatments steel poles are recommended.
- Finishes:
 - B – Black
 - M – Acrylic
 - MB – Acrylic with White
 - MN – Acrylic with Black

New Contemporary Finials and Ring Designs

For additional Contemporary Collection product information please reference Color Brochure # 2007GIFB.
