

# PINNACLE PRIVACY 2" FAUX WOOD BLIND

United Supply Company introduces the **Pinnacle Privacy 2" Faux Wood Blind**. The New Pinnacle Privacy is a premium, cut-down blind that is sized to your measurements.

***Competitively Priced, Quick Delivery, Premium Blind***  
***Exclusive Light-Blocking Feature – No Visible Holes***  
***Decorative 3 1/4" Crown Valance Standard with all Blinds***  
***Limited Lifetime Warranty***

### ***Additional Features:***

- Break away cord consolidator helps ensure the safety of children and pets.
- The slats can withstand temperatures of 140°F compared to similar products with limits of 120°F to ensure the slats will not warp in hot climates.
- The low profile steel headrail and steel tilt rod add to the durability of the product.
- Cord tilt and trapezoidal bottom rail provide smooth operation and tighter closure.
- All materials are lead and V.O.C. free and not manufactured with any dangerous chemicals.
