# 25 YEARS STRONG - A HISTORY PRESENTED

## 2003

Forest prints its first catalog, known internally as the "32-Pager". Today the catalog is 114 pages.

## 2005

In 2005 the Retail Price Guide, RPG, is launched.

## 1995-2020

In 1995 Forest came to the United States from The Netherlands in the form of a makeshift operation housed in a series of garages. In 2000 the company opened the doors of a commercial warehouse in Cartersville, Georgia. Today Forest calls a 40,000 square foot facility home and is proud to be 25 years strong. Please enjoy this history of the company as presented through a collection of catalog covers through the years.

## 2021

It's 2021 and Forest, along with the rest of the world, continues to battle the economic and social consequences of the Covid 19 pandemic. We are thankful to be standing strong with our loyal customers, vendors and Forest team members.

## 2019-20

2019-20 Brought expansion in the area of integration and motor controls for drapery and roller shade motors. Forest continues to be the only manufacturer to offer a 10-year warranty on all drapery and tubular motors.

## 2018

2018 an updated U.S. website was launched, forestdh.com.

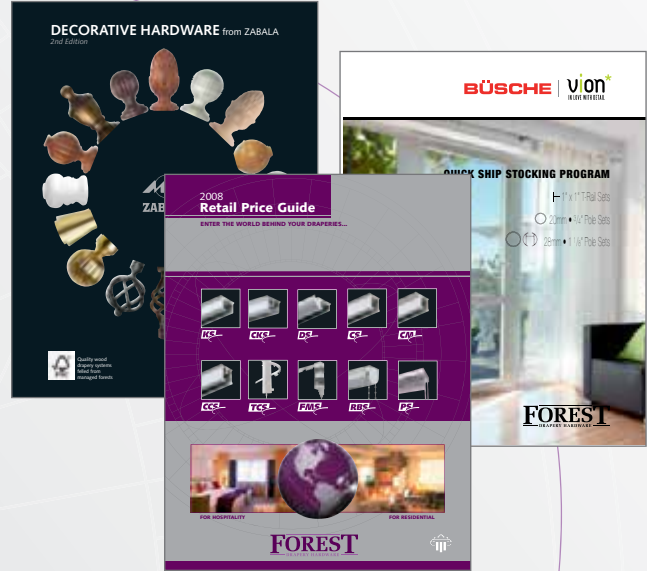

# THROUGH CATALOG COVERS

## 2008-2011

This was the period of three separate catalogs. Track systems were in the "RPG", with decorative metal in a separate Busche catalog and wood in a Zabala catalog. This way of going to market lasted until 2012.

# F25

25 YEARS STRONG

2015-2016 Saw the launch of forestgroup.com and roller shades came on the scene. Today Forest is expanding its roller shade program to include the lines of in-stock fabrics to choose from - Essentials, Designer, and Exclusives.

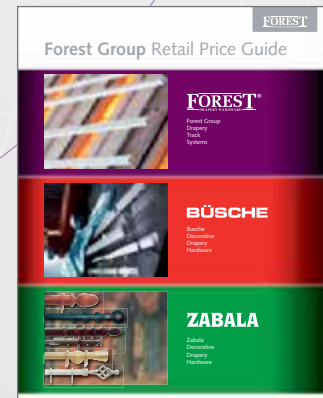

## 2014

Forest turn its focus to motorization with an introduction to the automation revolution. A revolution that is in the forefront of all Forest products today.

## 2012-13

Streamlining operations and the catalog, Forest moved to a new 40,000 square foot facility in 2012 and introduced a catalog with all collections in one book.
